

NOVEMBER 1993

HEALTH CERTIFICATE FOR DOGS AND CATS TO BE  
EXPORTED TO HONG KONG FROM THE UNITED STATES

Part A: DECLARATION BY EXPORTER

I, \_\_\_\_\_ (Name in block letter) of \_\_\_\_\_

\_\_\_\_\_  
(full address) declare that the animal(s) described below \*is/are to be  
exported to Hong Kong on \_\_\_\_\_ (date) by air flight No. \_\_\_\_\_  
\_\_\_\_\_ under air waybill No. \_\_\_\_\_ the consignee in  
Hong Kong is \_\_\_\_\_ (Name in block letter) of \_\_\_\_\_  
\_\_\_\_\_ (Full address)

Description of animal(s):

Type of animal	Quantity	Breed	Sex	Age	Color including distinguishing marking, tattoos (if any, etc.)	Hong Kong Permit No.

I further declare that the above described animal(s) \*has/have been  
continuously residing in the \_\_\_\_\_  
\_\_\_\_\_ (Full address in exporting country) FOR THE PRECEDING 4 MONTHS  
PRIOR TO THE DEPARTURE DATE\*/OR SINCE BIRTH\* \_\_\_\_\_ (\*delete if  
not applicable)

Signed by exporter \_\_\_\_\_ Date \_\_\_\_\_

Part B: VETERINARY CERTIFICATE (Health Information)

(to be completed and signed by the government veterinary authority or by an  
accredited veterinary surgeon of the exporting country.)

On \_\_\_\_\_ (date) at the request of the exporter, I certify  
that the said animal(s) \*is/are intended to export to Hong Kong. I have  
examined the animal(s) which \*is/are found to be free from clinical signs of  
infectious or contagious diseases. To the best of my knowledge, after having  
HONG KONG/Canine/Feline

made due inquiries, I can state that (i) the said animal(s) \*is/are NOT coming  
from \*a rabies infected area/an area quarantined for rabies; (ii) the said

HONG KONG/Canine/Feline

animal(s) \*has/have been continuously residing in \_\_\_\_\_  
(exporting country) \*since birth/\*for 4 months immediately prior to the  
departure of the animal(s) to Hong Kong; (iii) In my professional opinion the

animal(s) \*is/are either not pregnant or less than 4 weeks pregnant; and (iv) the animal(s) \*is/are fit to travel to Hong Kong.

I have no reason to doubt the correctness of the above declaration made by the exporter and I also certify that there has been no rabies reported in \_\_\_\_\_ (country/state/district/are where the animal(s) are kept) for MORE THAN 6 MONTHS PRIOR TO THE DEPARTURE DATE.

Part C: VACCINATION CERTIFICATION

This is to certify that the said animal(s) \*has/have been vaccinated against the following diseases before coming to Hong Kong:
